Labour County Councillor Mohammed Iqbal has been re-selected by Pendle Labour Party to contest the Lancashire County election on Thursday 2nd May 2013

"I have been honoured to serve as your County Councillor for the last 4 years and want the opportunity to continue as your voice at County Hall".

"We all know the huge cuts this Tory / Liberal government and the County Council have forced upon hard-pressed residents living in Brierfield and Nelson. I have worked hard to help local people and will continue to do so. We all know that a vote for the Liberals is a vote for the Tories! Please support my campaign and let's send a message to the Tory controlled County Council that enough is enough - Stop the Cuts!"

## Every Street Crossing

**Councillor Iqbal has managed to secure funding for a safer crossing at the busy junction of Every Street and Market Square.**

"I have been working with local residents who contacted me over the risks pedestrians face trying to cross this busy street. By working with Council officers, this scheme is Number One to be introduced in 2013. I am here to serve local people all the year round and not just show up at election time like the other candidates".

## Brierfield Library re-opens after £500,000 refurbishment

After lobbying from Labour Councillors in Brierfield, the newly refurbished library reopened in August after a huge investment to bring it up to modern standards.

"I would urge local people to visit the library as I'm sure you will be pleased with the refurbishment".

**"Labour Councillors are to be congratulated in Brierfield for putting pressure on the County Council to invest this money in the town".**

# TORIES CLOSE VITAL SERVICES

Tory bosses at County Hall refused to listen to over 2000 local people who signed a petition to keep open both Welfare Rights and Social Services offices in Pendle. To add insult to injury, the Tories are now privatising the Welfare Rights Service.

“Over the next few weeks both Tory and Lib Dem candidates will come round asking for your vote. You need to question them as to why they remained silent on keeping vital front-line services in Pendle. If, with your support, Labour gets back control of the County Council, I am determined to bring these services back locally”.

## Nelson Bus Station

Penny-pinching Tory County Councillors decided to switch off the well-used electronic timetable. Many elderly and disabled people have been left stranded not knowing when their bus is coming or going.

“I am working with the Bus Station operators and Nelson Labour Councillors to reintroduce some method of keeping people informed about when their bus is actually coming”.
