## BUILD OUR BYPASS

(BUT NOT ON THE RAILWAY LINE)

Labour's Azhar Ali is driving the plans to build our bypass. Azhar says: "This is a once in a lifetime opportunity that will deliver prosperity in Pendle and beyond."

The plans propose a change to the route for a bypass to tackle longstanding congestion problems in the North Valley area of Colne and Foulridge. Around 4km of new road would link the M65 to the A56 north of Foulridge. While closely following the route of the former Colne to Skipton railway, it would not prevent the line being reopened.

## MORE TRAFFIC CALMING FOR ESTATE

Until the Colne bypass is built, the problem of traffic on the North Valley estate will continue to exist. Vivary Bridge Labour Councillor Ian Tweedie has found funding for more traffic calming measures and more Speed Indicator Devices for the estate. These will be installed in stages over the next few months.

# LABOUR WORKING FOR YOU!

**“We’re now keen to discuss the proposals and listen to what people have to say.”**

**VIVARY BRIDGE LABOUR TEAM**

“As your next Pendle Parliamentary Labour Candidate, Azhar Ali, I and the Labour Team have been working hard to improve our area. We’ve recently been round meeting Vivary Bridge residents to talk about the bypass”.
